BGC Award Submissions

Reminder: We are now accepting nominations for the **BGC Lynn C. O'Donnell Lifetime Achievement Award**, the **BGC Impact Award**, the **James C. Ball Lifetime Achievement Award**, and the **QEP Annual Award**.

The **BGC Lynn O'Donnell Lifetime Achievement Award** is the highest honor awarded by the Board for Global EHS Credentialing for exemplary contributions to the practice of occupational and environmental hygiene that has culminated over a lifetime of work.

The **BGC Impact Award** is designed to recognize the contributions of BGC Certified Industrial Hygienists (CIHs) or Certified Associate Industrial Hygienists (CAIHs) to the practice of occupational and environmental health and safety at different stages in their career. The BGC Impact Award recognizes the contributions of an individual who has been a Diplomat for less than 20 years.

The prestigious **James C. Ball Lifetime Achievement Award** is conferred by the Board for Global EHS Credentialing to a Certified Professional Environmental Auditor (CPEA) or Certified Process Safety Auditor (CPSA) who has made significant contributions to the environmental, health and safety audit profession throughout his or her career. The award is given in honor of James Ball, an environmental, health and safety auditor who was a leader in the profession, a tireless volunteer for the Board of Environmental, Health & Safety Certifications (BEAC), and a staunch advocate of EHS auditor certifications.

The **QEP Annual Award** is conferred by the Board for Global EHS Credentialing to Qualified Environmental Professionals, Environmental Professionals In-Training, or Qualified Environmental Professionals who voluntarily surrendered the credential who have made exceptional contributions to the environmental profession or to society at large.

Nominees must be a Diplomat of BGC. More information regarding these awards and the submission process can be found on the [BGC website](#).

BGC Forum at AIHce

This year's BGC Forum will update attendees on the current state of the organization, discuss strategic initiatives, and provide the opportunity for Q&A/Discussion with the BGC leadership to assist the Board in shaping the future of the profession. The session will also take time to recognize individuals who recently received their CIH credentials and conclude with a drawing for an annual fee waiver. If you're planning to attend AIHce this year, we hope to see you at the Forum and at the BGC booth, #1406.

BGC Board Nomination Deadline

BGC is accepting self-nominations for the 2023 Board of Directors until June 30, 2022, so please apply now!

The BGC Board of Directors needs CIHs, QEPs, CPSAs, CPEAs, and CAIHs interested in joining the Board to improve the practice of professionals whose work is based on the science of protecting and enhancing the health and safety of people and the environment. The ideal Board candidate should be a strategic thinker who enjoys collaborative engagement with EHS leaders, practitioners, and the public we serve.

Individuals elected to the Board will participate on the Board as non-voting members as early as October 2022 with the term as voting members running from January 1, 2023, to December 31, 2026. Due to the large number of highly qualified candidates, many individuals are not selected the first time that they apply to the Board, so we strongly encourage previously unsuccessful candidates to update their information and reapply.

Please visit our [website](#) to learn more about the Board or to submit your [nomination form](#) and résumé or curriculum vitae. **All nominations received**

after June 30th will be automatically included in the pool of applications for the 2024 Board.
